

Our Community houses houses a large number of Christians who listen to K-LOVE. I personally listen to it always. This station is important to me and my husband as it is so uplifting. We would be totally lost without this great radio station. We believe our K-LOVE radio station has impacted so many lives not only in our community but state wide. It is important to us to have this station on the air as the great Christian music that is so uplifting and being able to call or send in a prayer request knowing that someone else is praying for your needs. News in the Christian world comes from them also and sometimes this is the only source of this news. K-LOVE supports wholesome values that aren't found anywhere else. They do have a positive impact on our community. Please keep our K-Love radio station on the air.

Thank you,

Gary and Cindy Falter
